## ***News Update- April 1, 2015***

### ***Principal's Desk***

#### ***Being a Team Player***

Thinking of your family as a “*team*” can help your child be more responsible. Explain that your family operates as a team. Everyone must play a part in getting things done. This will motivate your child to do chores and to be more responsible. Working towards small goals can make it easier to complete big tasks. Tell your child that after each small goal is completed, they get to take a fun break

Remember, my door is always open to you, and our classrooms are open too. The Bright Futures faculty and staff are dedicated to providing children with the highest quality Pre-K learning experience. My email is [tbolden@galesburg205.org](mailto:tbolden@galesburg205.org), and my telephone number is 309-973-2000.

*Sincerely,*

## Picture This

While looking through books, most children make mental pictures. In order to improve your child's comprehension, read a book without letting them see the pictures. Then, ask them to guess what the pictures look like. *Example:* How do you think the characters are dressed? Is it a happy or sad day?

## Tools For Triumph

No matter what the circumstances, always be honest!

## Math Literacy

Sometimes children get their numbers mixed up because they do not know how to recognize them lined up correctly. Write the numbers down as you count and line them up properly. Once they get used to this system, they will be able to transfer the knowledge to counting in order.
