Principal's Desk

Reading is the most important skill that a child can learn. Over the summer, we do not want children to forget the knowledge that they have learned throughout the school year. Visiting the Galesburg Public Library and participating in their Summer Reading Program is just one way to keep the children focused on learning.

June 8, 2015 thru August 1, 2015, the Galesburg Public Library will have storytimes, show movies, and sponsor numerous other events for children and families.

Remember, my door is always open to you, and our classrooms are open too. The Bright Futures faculty and staff are dedicated to providing children with the highest quality Pre-K learning experience. My email is tbolden@galesburg205.org, and my telephone number is 309-973-2000.

Sincerely,

Tammie J. Bolden

Literacy

Different children have different ways of learning to read. It doesn't matter what type of reader your child is, the important thing is that you practice reading different ways.

- Review your alphabet
- Read books
- Draw pictures and orally tell stories
- Use technology
- Play with blocks

Tools for Triumph

We clean up. After we eat, we clean up our mess. After play, we put items back where they belong.

Math

Everything you do involves counting. This summer count every time you get a chance.

- Fruits
- Steps
- Family
