Bus Safety Lessons

The goal of this lesson is to introduce children to the school bus, its purpose, and the fact that they may ride a bus to school without mom or dad. It will also introduce the idea that there are rules for the school bus just like there are rules for the classroom.

Library

One of the main objectives of any early childhood teacher is to instill a love of reading and books in all students. Reading requires much skill and practice, and to practice you need books. It's simple, the more children are exposed to books, the more they learn to love them.

Great Book for Parents!

You love your children, but if you're like most parents, you don't always love their behavior. Dr. Becky Bailey's unusual and powerful approach to parenting has made thousands of families happier and healthier.

TOOLS FOR TRIUMPH – Show Respect!
