## Word of Week – Assertiveness

**Definition:** expressing a confident, aggressive, or self-assured position; claim one’s rights or putting forward one’s views.

## Studying the Community

Bright Futures curriculum encompasses the study of the community. Within this study, it is important that the children realize that each part of the community, i.e., the fire station, the police station, the doctor’s office, stores, and so on, plays a vital role in the functioning of the community.

Students are learning about the Post Office and restaurants like Domino’s Pizza. They will learn many math concepts and skills such as the concept of money, keeping numerical records, counting and adding, collecting money and, categorizing and sorting.

## PTO – Parent Teacher Organization

The PTO will help you to be an informed and involved parent. It enables you to have a voice in the decisions that impact your children, school, and community. This is a true partnership between home and school.

**TOOLS FOR TRIUMPH** – Show Respect! Respect other student’s comments, opinions, and ideas.
