Peek at Last Week

Last week we focused on the color red. We looked for red pictures in magazines, and then shared the items that the students brought in. They loved coming up to the front of the room and talking about their item.

School t-shirt order forms went home last week. Remember that these forms are due on **Thursday 10/16**.

We are really focusing on letter awareness. Work with your children on spelling their name, and recognizing the first letter in their name.

Our Week

This week we will be working with small groups of children with an individual focus. These groups will help to reinforce skills and concepts.

Things to work on at home:

- Colors
- Shapes
- Letters

Reminders/Wish List

If any families want a few tadpoles to take home, please let Miss. Sexton or Mrs. Eiker know! We have more than we need, and would love for the children to get to experience this process at home as well.
