Note from the Teachers

Reminder that **Picture Day is Thursday, October 9th**! Mrs. Eiker and I are very excited to see everyone in their fancy outfits! 😊

If you have not signed up for a classroom visit, please send us an e-mail, or call so we can get you signed up! The requirement is only to spend an hour in the classroom, but you are welcome to spend all day with us! The kids are very excited to share this day with you.

Peek at Last Week

Last week we talked about fall, and everything that happens in fall, especially the changing colors of leaves. We have been learning about the different colors the leaves turn, and that this happens in fall (or Autumn, which is our "Fancy Nancy" word of the week.)

The Brown Room officially has a frog! Our tadpoles have been growing, and we now have a green tree frog that is learning how to jump and crawl! The kids have been very fascinated by this whole process.

Our Week

This week we will really focus on colors! Last week was so crazy, we did not get a chance to work on colors as much as I would have liked. We will be focusing on 1 color per week. Our first color will be red! There will be a paper bag going home with the children on Monday, so make sure to read the note, so we can make the learning more hands on! 😊

Reminders/Wish List

If any families want a few tadpoles to take home, please let Miss. Sexton or Mrs. Eiker know! We have more than we need, and would love for the children to get to experience this process at home as well.
