Snack

9/8: Granola Bars
9/9: Chips & Salsa
9/10: Fruit
9/11: Veggies
9/12: Left Overs

Peek at Last Week

Last week we really worked on building our Classroom Community, and setting our routine in the classroom. It is wonderful to see the children adapting to our schedule, and really engaging themselves in their work.

During story time we are beginning to work on making predictions while we read, and relate our stories to real-life experiences. We read the books "No, David!" and "David Goes to School." These were a hit in our classroom to discuss our good choices and bad choices.

Our Week

This week we will begin reading our first series of books! Monday we will begin with "If you Give a Mouse a Cookie." This week I will be completing "Get It, Got It, Go" this week with all four year olds. It is a picture naming assessment that is required at the beginning of the year.

Reminders/Wish List

Just a reminder that tennis shoes, or shoes that have no openings are best for when we go outside. That way we are not stopping during our outdoor time to dump rocks.
